

CARTE DU RÉSEAU

Detailed description: This is a comprehensive map of the Ottawa-Gatineau area, spanning from Chelsea in the west to Centre-Ville Ottawa in the east. The map shows a dense network of streets, major highways (e.g., Autoroute 50, 400), and various modes of transportation. Key landmarks include the Chaudière Falls, the Parliament buildings, and numerous parks and residential neighborhoods. A significant portion of the map is dedicated to bus routes, which are color-coded and numbered. Insets provide detailed views of specific areas, such as the Taché-UQO region and the downtown core of Ottawa.

CENTRE-VILLE OTTAWA

The map shows the following bus route information:

- Pont Mackenzie-King via Macdonald-Cartier:** A blue line connects the Pont Mackenzie King area to the Macdonald-Cartier bridge. It includes route numbers 31, 33, 35, 36, 37, 371, and 38. This route is active "la semaine après 9 h 15".
- Pont Mackenzie King via Portage:** A blue line connects the Pont Mackenzie King area to the Portage area. It includes route numbers 32, 34, 55, 59, 67, 85, and 87. This route is active "la semaine avant 9 h et la fin de semaine".
- Boucle via Queen:** A green line forms a loop through Queen Street. It includes route numbers 27, 94, 98, 20, 93, and 95. This route is active "la semaine avant 9 h".
- Boucle via Slater:** An orange line forms a loop through Slater Street. It includes route numbers 23, 25, 26, 29, 40, 41, 45, 47, 48.
- Detour 1:** A red line labeled "200 pm" indicates a detour for route 200 from Laurier Street to Bank Street via Queen Street.
- Detour 2:** A red line labeled "200" indicates a detour for route 200 from Laurier Street to Queen Street via Bank Street.
- AM Detour:** A black line labeled "AM" indicates a detour for routes 37, 371, 55, 67, 85, and 87 from Laurier Street to Queen Street via Bank Street.
- Other Labels:** The map includes labels for the Pont Chaudière, Pont du Portage, Pont Alexandra, Parlement, and various streets like Laurier, Wellington, Kent, Victoria, de l'Hôtel-de-Ville, Maisonneuve, and LeBreton Flats.

The map displays the following key features and route information:

- CENTRE-VILLE HULL**: The main area shown, with several bus stations marked by green R icons.
- Les Galeries de Hull**: Located near Boul. Montclair and Boul. Saint-Joseph.
- Montcalm**: A station located on Boul. Saint-Joseph, with a green R icon.
- Taché - UQO**: A station located on Boul. Alexandre-Taché, with a green R icon.
- Terminus occasionnel**: A temporary terminus point indicated by a blue starburst icon.
- Pont Macdonald-Cartier**: A bridge crossing the Rivière des Outaouais.
- Pont Mackenzie-King via Macdonald-Cartier**: A route option for crossing the river, indicated by a green line and stars.
- Bus Routes**: Numerous routes are shown as lines connecting stops, with route numbers like 23, 25, 31, 33, 35, 36, 37, 38, 39, 40, 41, 45, 47, 55, 59, 67, 85, 94, 98, 100, 200, 300, 400, and 48.
- Rivers**: The **Rivière des Outaouais** and **Rivière Chaudière** are shown flowing through the area.

The map illustrates the bus routes 93, 94, 95, 96, 97, 98, and 99 in the Buckingham and Masson-Angers Est sectors. The routes are color-coded and numbered. Route 93 runs along Ch. de Montréal Ouest and Ch. de Montréal Est. Route 94 follows Ch. de Montréal Ouest and Ch. de Masson. Route 95 connects the two sectors via Av. de Buckingham and Ch. de Masson. Route 96 runs along Ch. de Masson. Route 97 connects the two sectors via Ch. de Masson and Av. de Buckingham. Route 98 runs along Ch. de Masson and Av. de Buckingham. Route 99 is shown as a star-shaped route connecting various points in the area.

SECTEURS BUCKINGHAM ET MASSON-ANGERS EST

STO À LA DEMANDE

Map showing bus routes 93, 94, 95, 96, 97, 98, and 99 in the Buckingham and Masson-Angers Est sectors. The map includes labels for streets such as Av. de Buckingham, Ch. de Masson, Ch. de Montréal Ouest, and Ch. de Montréal Est, along with numerous local street names. Bus stops are marked with green icons containing route numbers. A large black arrow at the top points towards the right, indicating the direction of the routes.
