

CARTE DU RÉSEAU

The map displays the extensive network of bus routes in the Ottawa-Gatineau area. Key features include:

- Corridors:** Major transit routes like the Corridor Rapibus (black lines) and the Mackenzie-King Corridor (red line) are highlighted.
- Stations:** Bus stops are marked with green circles, some with labels like MONTCALM, RIVERMEAD, or TACHÉ - UQO.
- Lines:** Specific bus lines are numbered and color-coded (e.g., 86, 100, 200).
- Information Boxes:** Various boxes provide details about specific routes, such as "Pont Mackenzie-King via Macdonald-Cartier" or "Pont Mackenzie King via Portage".
- Inset Maps:** Three inset maps show zoomed-in views of the Taché-UQO area, the Masson-Angers Ouest sector, and the Centre-Ville Ottawa area.
- Legend:** A comprehensive legend on the right side defines symbols for stations, lines, and service details.

The map also includes labels for major landmarks like the Chaudière Falls, the Parliament Hill, and various sectors of the city.
